Friends:

Another article about our Passaic River Boat Club appears in today's Star Ledger.

The online version (which does not appear to include photos) appears here:

With ongoing positive publicity such as this we will continue to demonstrate that local area boaters and residents very much want recreational boating and recreational activities to return to the Passaic River.

As always we will do our best to keep everyone advised of our progress.

Regards,
Ed Marchese
Passaic River Boat Club
